*You never know when an emergency will arise.
Be prepared to save a life!*

Do you know what to do during an emergency until the vet arrives? Do you know how to assess an emergency and assist your equine partner?

This clinic will prepare you to handle an equine emergency!

Dr. Joe Peabody DVM of Lake Geneva Veterinary Clinic and Christy Bourbonnais, Certified WDAA and AHQA Prof. Horseman, will assist you in learning the tasks and information you need during an emergency.
